Food Security,  
Sustainable Production  
& Social Empowerment  
through Agriculture

## What participants said:

*"The program helped me a lot, it opened up new professional opportunities for me."*

*"I appreciated the communication, respect, and honesty."*

*"The program should continue or more participants."*

IMPLEMENTATION

IN COOPERATION WITH

IN PARTNERSHIP WITH

# Social Farming 360°

Powered by **Citi Foundation**

Social Farming 360° plays a crucial role in transforming agricultural activity within correctional facilities, by providing inmates with practical skills and actively supporting their social reintegration. At the same time, it ensures food security both within the correctional facilities and in the nearby communities.

## Implementation

### 4 Agricultural Correctional Facilities

- Agia, Chania
- Tirynta, Argolis
- Kassaveteia, Volos
- Kassandra, Chalkidiki

### 2 Special Correctional Facilities

- Women's Agricultural Unit of Eleonas, Thebes
- Addiction Rehabilitation Center for Inmates, Eleonas, Thebes

## Program Results in the First 12 Months

**560+**

participants  
inmates and  
agronomists from  
correctional facilities

**534+**

hours  
of training  
in agricultural and  
professional skills

**340+**
